

Lights, Camera, Action!

SO YOU THINK YOU'RE CREATIVE?

*Now's your chance to prove it... and win money
and ice cream at the same time.*

Nirvana is running a "Create Our Commercial" contest exclusively for the students of Crabapple Middle School. We're too busy running our restaurant to make a commercial so we want you to do it for us. And we'll pay... or at least give you a free ice cream. The rules are simple: Make it clean, make it fun and make it no longer than 30 seconds.

Here are the steps to get started:

1. Fill out this form completely.
2. Bring it to Nirvana Cafe & Grille for a free ice cream.
3. Make your commercial.
4. Upload your commercial at <http://www.videoalmanac.net>
5. Tell everyone you know to watch your video and rate it.
6. Sit back and wait for the ice cream to start flowing...

On November 30th we'll tally the results and award the winners.

1st Prize: \$200 cash and an ice cream party for 10 at Nirvana.

2nd Prize: \$100 cash and an ice cream party.

3rd Prize: \$50 cash and an ice cream party.
